

VOLUNTEER RANGER SERVICE

Would you like to become more involved with the Queen Elizabeth Country Park?

The Queen Elizabeth Country Park Volunteer Ranger Service is an independently constituted group of Volunteers dedicated to providing help and support to Queen Elizabeth Country Park.

Our Volunteers have a valuable part to play in the management of this wonderful Park and can chose to get involved with a variety of tasks such as practical habitat management, patrolling, assisting in events and guided walks, wildlife monitoring, education and awareness projects, office work and much more.

We also try generate funds to enable the Volunteers and Park Staff to undertake important conservation and visitor management projects.

The Volunteer Ranger Service is open to anyone over the age of 18, who has an interest in looking after the environment an assisting other to enjoy it.

More about Volunteering

There is no maximum or minimum about of time you have to spend volunteering and the type of tasks we ask Volunteer Rangers to undertake depend upon their own interests and past experience. However we can normally find a task or project to suit most people who are prepared to donate their time to us.

The process of selection as a Volunteer Ranger is simple. After completing and sending us the application form, you will be asked to come along for an informal interview.

When you are accepted as Volunteer Ranger you will get the help and support of an existing Volunteer or one of the full-time Rangers to guide you through those initial first times as a Volunteer.

We will also provide simple induction training and if you stay we will continue to help you develop your 'Ranger' knowledge and skills.

The Volunteers meet 4 times a year to discuss tasks and projects, there is also a organizing committee that's meets regularly to ensure the smooth running of the Volunteers and plan new projects and fund raising ideas.
